WELCOME TO CENTRAL ARCADE

Central Arcade commands a prime position in Newcastle City Centre opposite the City's landmark Grey's monument as well as being positioned in close proximity to Northumberland St and Blackett St.

The Arcade and it's surrounding area has become the City's focal point for the rapidly expanding independent boutique and leisure market. It offers a variety of unit sizes and boasts extensive frontages to both Grainger Street and Grey Street as well as the beautiful covered arcade running from Market St to Grey St.

The Grade II* Central Arcade was first built in 1837 for Richard Grainger as part of his architectural redevelopment of the city. The building was originally a commercial exchange and newsroom and later an art gallery.
